**C**ondominiums are for sale in Manhattan's famous five-star hotel, Waldorf Astoria New York.

The hotel, named for the legendary Astor family and their hometown of Walldorf, Germany, is currently closed and undergoing renovations. When it reopens, it will be selling residences for the first time since it opened in 1931. Part of the renovation process includes converting 375 rooms into luxury condominiums, which are called The Towers of the Waldorf Astoria.

The prices of the condominiums range from around \$1.7 million to \$18.5 million apiece, and their residents will have exclusive access to over 50,000 square feet of amenities.

The renovation project began in 2014 and the first condos are expected to be completed in 2022. Keep reading for a look at the first condo renderings.

Manhattan's famous 5-star hotel, Waldorf Astoria New York, is now selling condominiums.

*The Towers of the Waldorf Astoria*

The Waldorf Astoria, successor to another legend ay hotel of the same name built in the 1890s, has stood on Manhattan's Park Avenue since 1931 and has been known around the world for its level of luxury.

Currently, 375 rooms are being converted into luxury condominiums. They will be called The Towers of the Waldorf Astoria.
